

Broughton in Amounderness: Parish Action Plan

Month: May 2017				Funding source	
NP section	Topic	Action points	Actions to date	Precept	CiL
Environment	Tree Preservation orders	Review the existing Tree Protection Orders (TPO) in the village and secure TPO's for trees/groups of trees with high visual and amenity value.	All PC's are to review the trees in their area in the Summer when tree identification is possible, using the form devised and to recommend if a TPO is required by 09/17.	0	0
Built environment and heritage		Detailed mapping of all trees within the area, including TPO's	A Tree survey was carried out as part of the KGV feasibility study.		
Community facilities and activity	Community Facilities	To explore the options for a community facility in the Village To work with local businesses to promote community cohesion and to encourage development of new retail and service facilities as identified in the vision for Broughton	Initial sub-group meeting agreed to delay this until the post bypass work is completed in Spring 2018 To use planning applications to encourage the types of commercial/business development identified in the Neighbourhood Plan (NP)	0	0
Built environment and heritage	Village PRow	To ensure the continued access for Local residents a detailed mapping and review exercise of PRow's with the quality of accessibility, management and upkeep of these.	Post bypass improvements both in Village centre and around the actual bypass will ensure this happens.(ongoing) To meet with developers to ensure all new developments are linked to the village Centre.	0	0

Broughton in Amounderness: Parish Action Plan

		Consideration for the introduction of new and connecting routes where merited	(ongoing), to discuss a community notice board on the Eastway development	Tba	Tba
Access & Infrastructure		<p>Pursue the improvement of the Public Rights of Way such that these footpaths provide good linkage between areas of the Parish.</p> <p>Work towards providing secure, safe and attractive pedestrian linkage between new housing in the south of the Parish and the village centre...</p> <p>Consider the provision of additional seating on newly refurbished footways and footpaths, where appropriate, to encourage all users.</p>	<p>All PC's to review of footpaths and report back by 09/17 when required work needed will be commissioned including signage</p> <p>PC to liaise with Guild Wheel groups and the schools to make sure any work required as a result of the bypass and development is carried out.</p> <p>PC to review the current RoW after the completion of the remedial work on the current RoW in 09/17 and then see if there are any areas where new RoW's are needed to (1) link the new developments (2) identified gaps</p>		
Community facilities and activity		To restore the existing footpaths and bridleways, and to explore the introduction of new ones to link the Village centre, development areas and outlying parts of the parish	PC to explore with neighbourhood parish's the possibility of a Village Lengths man or a contracted service and to report back at the July meeting	Tba	Tba
